...dissertation. The first essay is divided into two parts. The first part focuses on the usefulness of information related to product offerings communicated through company **web** pages as **advertising** media. The research question in this part deals with the state of product related useful information available through **web** pages, as **advertising** media, to the consumers in making an intelligent choice in a purchase situation for products offered over the Internet.

Using the insights gained in the first part specifically related to **advertising** communication, it is conceptualized that the **Internet** or the World Wide Web **serves simultaneously** as a **Communications**, Transactions and Distribution channel. The research issue, in the second part, is to what extent are there similarities or differences among corporate web sites in...
